Ergonomic Grip
Minimizing dropping panel

Hot Swap Battery
No need to turn off detector

Drop Resistant
Up to 4 feet of drop height

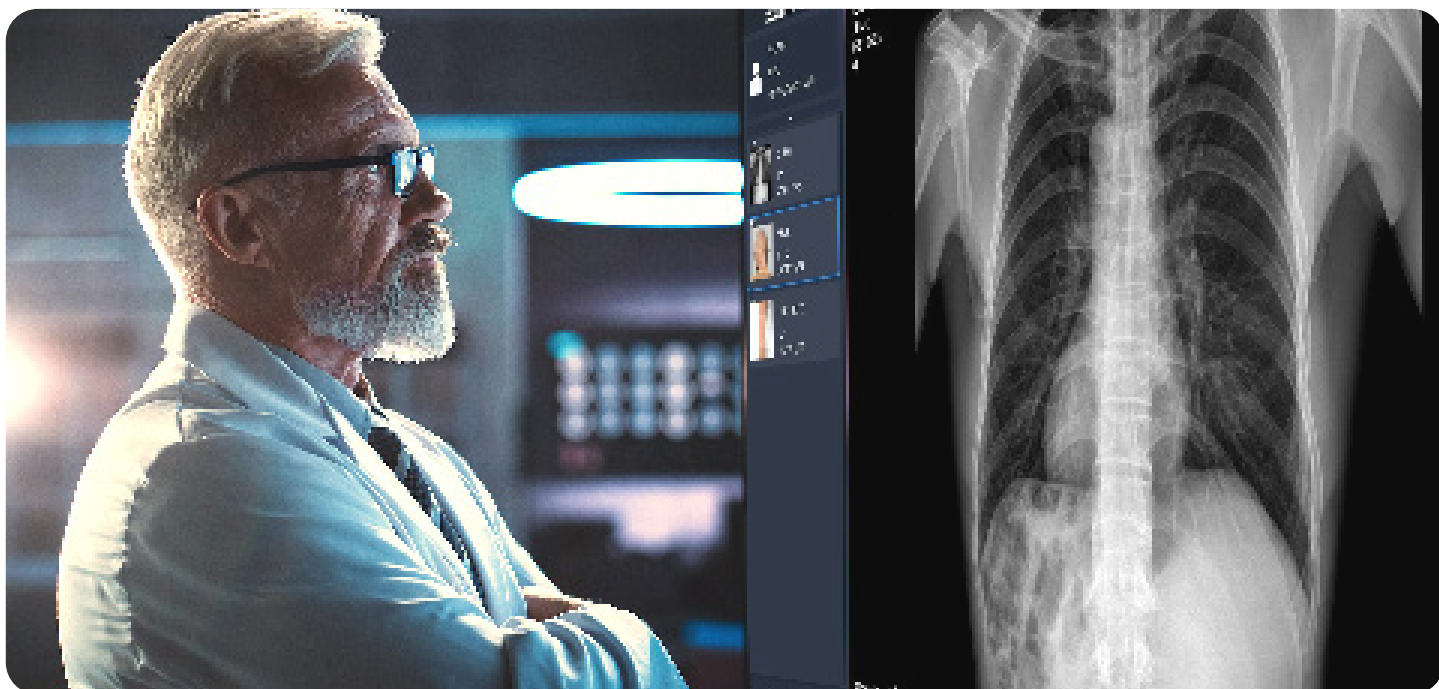

661lbs Weight Capacity
*Distributed evenly across
entire detector*

Long Lasting Battery
7 hours of operation

Water Proof
IP67

PRECISION, PERFORMANCE, AND SIMPLICITY

Better than 100 μm resolution.

Engineered for hospitals that demand the best, the **ExamVue Apex** flat panel detectors deliver unmatched image quality, seamless integration, and superior reliability.

These detectors are **fully compatible with any X-ray generator**, allowing for **easy installation without additional wiring**. Powered by **advanced Cesium direct-deposit technology**, the Apex captures **incredible image clarity**—even with patients of varying sizes.

Built for both **performance and durability**, the **glassless** design makes the Apex **lighter and more ergonomic**, streamlining your workflow.

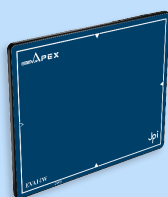

LIGHTWEIGHT. BIG IMPACT.

17"x17" Wireless

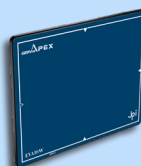

6.6 lbs with battery

14"x17" Wireless

5.7 lbs with battery

10"x12" Wireless

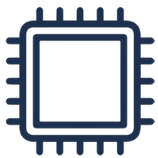

3.5 lbs with battery
